DIAREX Bohrkrone König F NeoX ø 35 mm | Bohrtiefe 35 mm | M14

Price

€49.00*

Prices excl. VAT plus shipping costs

Product number: F76.520.035

Description

The König F NeoX sets new standards in dry drilling technology. Thanks to innovative diamond tipping in diagonally arranged spirals and specially selected diamond grain sizes, it drills faster, more precisely and with up to 3x longer service life than conventional dry core bits.

Whether ceramic, porcelain stoneware or natural stone - the König F NeoX core bits deliver outstanding results with any material. With diameters from 5 mm to 130 mm, it is the perfect choice for tilers, natural stone processors and landscapers who rely on maximum efficiency and durability.

Advantages at a glance:

- maximum service life - lasts up to 3x longer than conventional dry drill bits
- spirally set diamonds - extremely high drilling progress and ideal dust removal
- versatile - perfect for ceramics, porcelain stoneware & natural stone
- developed for professionals - the first choice for tilers, natural stone processors & landscapers

Product information

Material:	Ceramics , Feinsteinzeug , Naturstein
Bohrtiefe:	35 mm
Coupling:	M14
Diameter:	35 mm
Type of use:	Dry
RPM recommendation:	7.000 - 9.000 U/min
